Basic rules: Same as "Battleship" radio gear can go only vertical or horizontal...
Variations: All letters must be called as proper ham phonetics, A caller can keep going until they misses, Radio gear cannot touch each other.

Remember to ID frequently, identify that this is a game, a variation of battleship, and keep it ham radio friendly. Suggestion to have 2 color pens for hit and misses.

....You may do third party traffic, but other operators need to know...
